CAREER OBJECTIVE

“A dedicated and detail-oriented individual with a solid grasp of JavaScript, React, Node.js, Express.js, and MongoDB. Eager to apply acquired knowledge in a development and deployment role, while continuously expanding technical skills and contributing to team success”

CERTIFICATION

MERN Stack Development | UI&UX Design | Software Testing

Aug 2024-2025

KGiSL MicroCollege, Coimbatore.

PROJECTS

HD-E-commerce Website | [Link](#)

March- 2025

Technologies used : Javascript | Tailwind CSS | Express js | Node js | React js | MongoDB

Build a online shopping platform using MongoDB (database), Express.js (backend framework), React.js (frontend library), and Node.js (backend runtime), offering product browsing, secure checkout, and efficient order management, providing a seamless experience for customers and administrators alike, ensuring user satisfaction through fast delivery, easy returns, and personalized recommendations.

Blog Website | [Link](#)

March-2025

Technologies used : Javascript | Express js | Node js | React js | MongoDB

Build a simple Blog application using React (frontend), MongoDB (database), and Express.js (backend). The application enables users to create, read, update, and delete (CRUD) blog posts, with CORS enabled to facilitate seamless communication between the frontend and backend, ensuring a smooth user experience.

Weather prediction App | [Link](#)

December-2024

Technologies used : Javascript | HTML | CSS | Rest API

Build a dynamic weather prediction website using JavaScript, HTML, and CSS, leveraging REST API to fetch real-time weather data. The website provides users with current weather conditions, forecasts, and other relevant information for locations worldwide, offering a user-friendly interface and seamless experience.

TECHNICAL SKILLS

Front end - HTML | CSS | Javascript | Bootstrap | Sass | React js

Back end - Express | Node js | Rest API's

Database – MongoDB (NoSQL)

SOFT SKILLS

Decision Making | Problem Solving | Adaptability | Time Management

LANGUAGES KNOWN

English - Conversational | Tamil - Fluent.

EDUCATION

Bachelor of Electronics and Communication Engineering.

2020-2024

Annai Mathammal Sheela Engineering College.
Nadu.

Namakkal, Tamil
